TerryWhite Chemmart Store Locations

November, 2019

Healthier Places

As part of developing healthier places, Bupa Wellness is pleased to have partnered with Terry White Chemmart to offer flu vaccinations conveniently in-store for our clients and their employees.

This document lists stores participating in the 2020 vaccination program and is a handy guide to check whether there is a participating pharmacy near your workplace, or easily accessible to your employees.

Please note stores marked with an **asterisk and in purple** are new additions to the Terry White Chemmart network, giving us greater reach and the ability to offer vaccinations in new locations.

You can also use the Terry White Chemmart online store finder located here <https://www.terrywhitechemmart.com.au/store-locator/>

If you have any questions, please get in touch with your Work Health Advisor or Bupa Wellness on the below details.
